Subject Mr. Councillor

The Swamigalu has been repeated by petitioning since 1910 for the gift of a cow elephant. In 1906 a cow elephant was presented, but it died after a few months as the result of a wound and another cow elephant was again graciously presented in Sept 1906 This it appears to have died in 1909 and the Matt is now without any elephant The Swamigalu's agent now prays that a cow elephant out of the present capture may graciously be presented to the Matt for carrying Nagari. If His Highness should graciously decide to make any present the request of the Swamigalu may be taken into Consideration

Submitted to His Highness.

The Agent of the Sri Raghavendraswami Mutt at Nanjangud represents that great difficulty is experienced for want of an elephant to carry the Mutt "Nagari" and solicits that a cow elephant may be presented to the Mutt out of the capture recently effected.

2. It will be seen from the previous correspondence on the subject that a cow elephant was presented to the Mutt in 1906, and that owing to the death of the elephant, the Mutt have been asking for another elephant, but as no elephants were available, the request could not be complied with.

3. The First Member of Council recommends that a present may well be made.

4. I may add that 100 elephants recently captured on the occasion of his Excellency the Viceroy's visit to Mysore, have been notified for sale to the public (Vide page 1738 of Part II of the Mysore Gazette dated 4th December 1913).

5. This is a matter for His Highness's gracious consideration. On principle, the right thing is for the Mutt to purchase an elephant if they want one.
